ADDITIONAL STUDENT PROGRAMS:

CLASS CATALYST

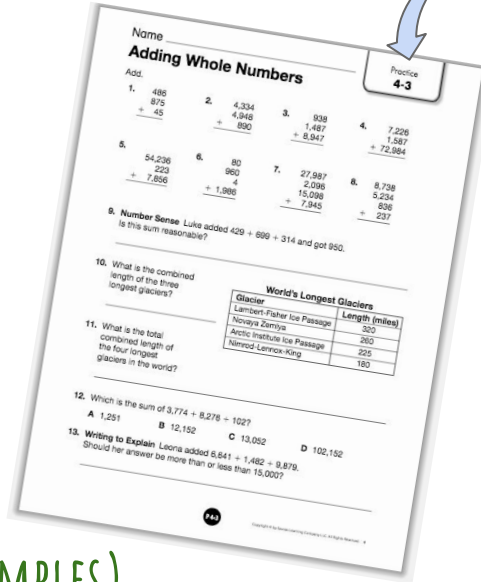

HOMWORK: MATH PRACTICE & 20+ MIN FREE CHOICE READING

Reteaching:
(Front side)
This side is typically done in class as a quick check for understanding!

RETEACHING SIDE (DONE IN CLASS WITH EXAMPLES)

Practice: (Backside)
These problems are homework. We often ~~cross out~~ the questions that you can skip or CIRCLE the problems kids need to solve for HW.

For example:
Do the **EVEN #'s** only
If you are **STUCK** on a ?--
Put a ? or initial-- sometimes they get tricky-- No worries! 😊

HOMWORK IS THE PRACTICE SIDE
